Company Profile

FT LOGISTICS (ASIA) PTE. LTD.

FT LOGISTICS (ASIA) PTE. LTD. offers world-class logistics services. Our highly knowledgeable team can handle all your logistics needs. We can arrange ocean, air, trucking, project cargo etc. to ensure that you are completely covered. Besides, ship owning & management is also one of our core businesses. We own a car carrier which is hired by a reliable charterer, while we render qualified ship management service to third parties.
